

eXplore Trade Show - Instand Banner Image Specifications

Please supply images at high resolution (300dpi) and the largest file size you have available.

Portrait images would be preferable for the one image banners and landscape for the two & three image banners.

Please do not crop your image.

If you are wanting to supply a composite image please set it up to the sizing provided at 100% 150-300dpi.

Please no branding just imagery.
